Afro-global Management Innovation Practices Marius Ungerer, with contributions by Johan Herholdt and Anton Schlechter, 2021-11-15 This book represents views, frameworks and practices on stimulating and realising our optimal potential as human beings in the context of a workplace where there is a desire to achieve shared goals and aspirations in order to accomplish positive economic, societal and environmental impacts and outcomes. It describes a vision of how life and work in organisations could be. We describe a new kind of organisation. Being a good person and doing good things while making profit are a real possibility for those management innovators who think beyond immediate trade-offs. In this book we explore management innovation as core study field and arena for re-inventing and re-imagining how people in organisations could execute management activities such as planning, organising, leading and controlling for multiple stakeholder satisfaction and benefits. Work can be much more joyful and fulfilling than we think, but it requires courage from us to take responsibility when freedom is offered.

The Thief Who Sang Storms Sophie Anderson, 2023-05-02 An extraordinary tale of unity and friendship from the award-winning, internationally-bestselling author of *The House With Chicken Legs* The Island of Morovia is shaped like a broken heart. The humans live on one side of the island, and the alkonosts -- the bird-people -- live on the other. But it wasn't always this way... Linnet wishes she could sing magic, like her father, Nightingale -- and bring the two sides of her island together again. For her land has been divided by a terrible tragedy, and Linnet has been banished with her father to the deepest swamps, leaving behind her best friends, Hero and Silver. So when her father is captured, Linnet must be brave and embark on a treacherous journey. Through alligator pools and sinking sands, she finds new friends. Yet without her singing magic, Linnet discovers something even more powerful. Something that could save her father, and heal the broken heart of her island once more...

Kenilworth Castle [Red Guide] Richard K. Morris, 2010-05-01 Kenilworth Castle is one of the largest and most splendid historic sites in Britain. First built in the 1120s, and a royal castle for most of its history, it was expanded and enhanced by King John, John of Gaunt and Henry V. Queen Elizabeth I's favourite, Robert Dudley, earl of Leicester, lavished a fortune on transforming Kenilworth into a palatial residence fit to receive the queen. For her 1575 visit Leicester built a magnificent garden with jewelled aviary and marble fountain - now brought to life once more by English Heritage. This beautifully

illustrated guidebook contains a full tour and history of the site, including a special section on the garden.

But in the years after Will and Stephen are unexpectedly separated, Will's life becomes more complicated. Despite his vow to reunite with Stephen once knighted, he allows himself to grow closer to Simon, the Earl's charming and charismatic second son, whom he serves as a squire. As Simon's intentions toward him become clearer and impossible to resist, and the political stakes around the Montforts grow ever higher, Will is faced with a painful choice. Lightbringers Karin Celestine,2020-10-10 The first in a series of four titles based on the seasons, nature and folklore, The Lightbringers is a story of hope centring on the notion that the light will always return, even in the darkest of days. The midwinter solstice provides the focal point for a journey by the little creatures as they seek to return light to earth, but it is a journey that evokes the traditions of the Mari Lwyd walking the villages of Wales and Wassail songs being sung in the orchards. Made up of two key parts, this book contains the story of The Lightbringers and a brief introduction to the myth and legend surrounding the season and festivals of midwinter. Suitable for readers of all ages.

Ocean State Stewart O'Nan,2022-03-15 Set in a working-class town on the Rhode Island coast, O'Nan's latest is a crushing, beautifully written, and profoundly compelling novel about sisters, mothers, and daughters, and the terrible things love makes us do. In the first line of *Ocean State*, we learn that a high school student was murdered, and we find out who did it. The story that unfolds from there with incredible momentum is thus one of the build-up to and fall-out from the murder, told through the alternating perspectives of the four women at its heart. Angel, the murderer, Carol, her mother, and Birdy, the victim, all come alive on the page as they converge in a climax both tragic and inevitable. Watching over it all is the retrospective testimony of Angel's younger sister Marie, who reflects on that doomed autumn of 2009 with all the wisdom of hindsight. Angel and Birdy love the same teenage boy, frantically and single mindedly, and are compelled by the intensity of their feelings to extremes neither could have anticipated. O'Nan's expert hand paints a fully realized portrait of these women, but also weaves a compelling and heartbreaking story of working-class life in Ashaway, Rhode Island. Propulsive, moving, and deeply rendered, *Ocean State* is a masterful novel by one of our greatest storytellers.

The Rahway Valley Railroad Donald A. Maxton, 2002 Many residents of Union and Essex Counties in New Jersey fondly recall the whistles of the Rahway Valley Railroad trains that rolled through the picturesque stations of Roselle Park, Kenilworth, Union, Springfield, and Summit. The Rahway's steam and diesel locomotives supported local commerce, provided passenger service, and carried a vast array of goods to and from local businesses. It connected the area with larger railroads, such as the Central Railroad of New Jersey, the Lehigh Valley, and the Delaware, Lackawanna and Western. One of the shortest yet most prosperous of American railroads, the Rahway Valley helped transform a rural region into one of New Jersey's most vital and populous areas. The Rahway Valley Railroad presents the story of this colorful short line with rare, vintage photographs of locomotives, passengers, stations, and train crews. It recounts how the Rahway Valley evolved from the New York and New Orange Railroad, linking Union County towns with Newark Heights (Maplewood), in adjoining Essex County. Images in this book include passengers riding Rahway Valley trains to picnics, church outings, and Springfield's world-famous Baltusrol Golf Club. Readers will learn how this feisty little line competed successfully for many years against the trucking industry and the interstate highway system during a time when many small railroads were dying out. The Rahway Valley Railroad tells the distinctively American story of a proud short line that competed with forces larger than itself and faithfully served the local merchants and residents who now remember it so fondly.
