Michener,2015-06-09 The Bridge at Andau is James A Michener at his most gripping His classic nonfiction account of a doomed uprising is as searing and unforgettable as any of his bestselling novels For five brief glorious days in the autumn of 1956 the Hungarian revolution gave its people a glimpse at a different kind of future until at four o'clock in the morning on a Sunday in November the citizens of Budapest awoke to the shattering sound of Russian tanks ravaging their streets The revolution was over But freedom beckoned in the form of a small footbridge at Andau on the Austrian border By an accident of history it became for a few harrowing weeks one of the most important crossings in the world as the soul of a nation fled across its unsteady planks Praise for The Bridge at Andau Precise vivid immeasurably stirring The Atlantic Monthly Dramatic chilling enraging San Francisco Chronicle Superb Kirkus Reviews Highly recommended reading Library Journal *Understanding Climate Change through Religious Lifeworlds* David L. Haberman,2021-05-04 How can religion help to understand and contend with the challenges of climate change Understanding Climate Change through Religious Lifeworld edited by David Haberman presents a unique collection of essays that detail how the effects of human related climate change are actively reshaping religious ideas and practices even as religious groups and communities endeavor to bring their traditions to bear on mounting climate challenges People of faith from the low lying islands of the South Pacific to the glacial regions of the Himalayas are influencing how their communities understand earthly problems and develop meaningful responses to them This collection focuses on a variety of different aspects of this critical interaction including the role of religion in ongoing

debates about climate change religious sources of environmental knowledge and how this knowledge informs community responses to climate change and the ways that climate change is in turn driving religious change Understanding Climate Change through Religious Lifeworlds offers a transnational view of how religion reconciles the concepts of the global and the local and influences the challenges of climate change Asian Children's Literature and Film in a Global Age Bernard Wilson, Sharmani Patricia Gabriel, 2020-03-06 This volume provides a key analysis of Asian children's literature and film and creates a dialogue between East and West and between the cultures from which they emerge within the complex symbiosis of their local national and transnational frameworks In terms of location and content the book embraces a broad scope including contributions related to the Asian American diaspora China India Indonesia Iran Japan Malaysia the Philippines South Korea Sri Lanka and Taiwan Individually and collectively these essays broach crucial questions What elements of Asian literature and film make them distinctive both within their own specific culture and within the broader Asian area What aspects link them to these genres in other parts of the world How have they represented and shaped the societies and cultures they inhabit What moral codes do they address underpin or contest The volume provides further voice to the increasingly diverse and fascinating output of the region and emphasises the importance of Asian art forms as depictions of specific cultures but also of their connection to broader themes in children's texts and scholarship within this field

Orientalism Edward W. Said, 2014-10-01 A groundbreaking critique of the West s historical cultural and political perceptions of the East that is three decades after its first publication one of the most important books written about our divided world Intellectual history on a high order and very exciting The New York Times In this wide ranging intellectually vigorous study Said traces the origins of orientalism to the centuries long period during which Europe dominated the Middle and Near East and from its position of power defined the orient simply as other than the occident This entrenched view continues to dominate western ideas and because it does not allow the East to represent itself prevents true understanding

Endless Siege Krzysztof Iwanek, 2022-05-13 This is an ethnographic study of the Vidya Bharati chain of schools in India which are run by a Hindu nationalist organization called the Rashtriya Swayamsevak Sangh RSS The first study of its kind this volume is an important narrative on the role and impact of textbooks in modern India Despite having limited resources they are run on a tight budget and being based on a radical ideology that derives from a Hindu nationalist agenda the Vidya Bharati schools have achieved considerable success in the free market of private education and have grown to over 12 000 schools within 40 years They are an important example of the interlinkage between ideology and nationalism in contemporary India The author analyses school structure curriculum teaching quality institutional goals and ideology in an effort to identify reasons behind Vidya Bharati s success and to show through his field research that a combined strategy of pragmatism blended with ideology has allowed the schools to become highly sought after This analysis then asks broader questions about the failures of the public education system in India

The Gospel According to John, 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance

Uneasy Translations Rita Kothari, 2022-09-30 *Uneasy Translations* Self Experience and Indian Literature interweaves the personal journey of an academic into reflections around self language and translation with an eye

on the intangibly available category of experience It dwells on quieter modes of being political of making knowledge democratic and of seeing gendered language in the everyday In an unusual combination of real life incidents and textual examples it provides a palimpsest of what it is to be in a classroom in the domestic sphere straddling the manyness of language and of course in a constant mode of translation that remains incomplete and unconcluded Through both a poignant voice and rigorous questions Kothari asks what it is to live and teach in India as a woman a multilingual researcher and as both a subject and a rebel of the discipline of English She draws from multiple bhasha texts with an uncompromising eye on their autonomy and intellectual tradition The essays range from questions of knowledge affect caste shame and humiliation to other cultural memories Translation avoids the arrogance of the original it has the freedom to say it and not be held accountable which can make it both risky and exciting More importantly it also speaks after anuvaad rather than only for or instead and this ethic informs the way Kothari writes this book breaking new ground with gentle provocations

Concise Encyclopedia of Human Geography Loretta Lees, David Demeritt, 2023-02-14 With 78 specially commissioned entries written by a diverse range of contributors this essential reference book covers the breadth and depth of human geography to provide a lively and accessible state of the art of the discipline for students instructors and researchers

The Emperor of All Maladies Siddhartha Mukherjee, 2011-08-09 Winner of the Pulitzer Prize and now a documentary from Ken Burns on PBS The Emperor of All Maladies is a magnificent profoundly humane biography of cancer from its first documented appearances thousands of years ago through the epic battles in the twentieth century to cure control and conquer it to a radical new understanding of its essence Physician researcher and award winning science writer Siddhartha Mukherjee examines cancer with a cellular biologist's precision a historian's perspective and a biographer's passion The result is an astonishingly lucid and eloquent chronicle of a disease humans have lived with and perished from for more than five thousand years The story of cancer is a story of human ingenuity resilience and perseverance but also of hubris paternalism and misperception Mukherjee recounts centuries of discoveries setbacks victories and deaths told through the eyes of his predecessors and peers training their wits against an infinitely resourceful adversary that just three decades ago was thought to be easily vanquished in an all out war against cancer The book reads like a literary thriller with cancer as the protagonist From the Persian Queen Atossa whose Greek slave may have cut off her diseased breast to the nineteenth century recipients of primitive radiation and chemotherapy to Mukherjee's own leukemia patient Carla The Emperor of All Maladies is about the people who have soldiered through fiercely demanding regimens in order to survive and to increase our understanding of this iconic disease Riveting urgent and surprising The Emperor of All Maladies provides a fascinating glimpse into the future of cancer treatments It is an illuminating book that provides hope and clarity to those seeking to demystify cancer
